

FLU NOTICE

Dear Noble Parents,

New Jersey Law requires that every child 6 months through 59 months of age attending any licensed child-care center, preschool facility, or school shall annually receive at least one dose of influenza vaccine between the days of September 1st and December 31st of each year.

Children who have not received the flu vaccine by December 31st must be excluded from school for the duration of the influenza season (through March 31st) or until they receive at least one dose of influenza vaccine. *NJ State Law N.J.A.C 8:57-4.19.*

Please contact your physician as soon as possible to schedule an appointment so that your child is properly immunized. **If your child does not receive the state mandated vaccine prior to January 4th, he or she will not be permitted to return to school when we resume in January without documentation of the vaccine.**

IF YOU DO NOT HAVE A PRIMARY CARE PROVIDER OR THERE IS NO HEALTH INSURANCE, PLEASE CONTACT YOUR LOCAL HEALTH DEPARTMENT TO GET THE REQUIRED VACCINE.

Sincerely,
School Nurse
