

Assalamu Alaikum.

Dear Noble Parents,

Please be advised that **all student vaccinations must be updated and handed in to the office by September 1, 2023**. Students who are found to not have the required immunizations will be sent home with a note that **they cannot return to the school until all required immunization paperwork has been handed in**. The list of what is required in each grade can be found on the **NJ Required Immunizations Chart**.

If your child has an **Allergy Action Plan** and/or an **Asthma Action Plan** the forms to be filled out by your family physician are in the **Health Form Packet PDF**. Also, if your child requires special medication for any condition he or she has, **the appropriate forms must be filled out by your family physician and submitted to the office along with the medication in a ziplock bag with the child's name and grade on it by September 1, 2023**.

Jazzakullahu Khair,
Noble Office
